Roline - Transceiver - RJ-11, Terminal Block (Clamp) / 25 pin D-Sub (DB-25) - up to 1 km

Manufacturer	Roline
EAN	7611990117161
Manufacturer#	12.02.1028

Description

At Secomp, it is believed that high-quality solutions are the foundation of all technical systems and that is why you always find a right option in the wide range of products provided by Secomp. The company's reliable solutions give its customers all the necessary flexibility they need.

Specification

Product Description	Roline - transceiver - RS-232, RS-422, RS-485
Device Type	Transceiver - RJ-11, Terminal Block (Clamp) / 25 pin D-Sub (DB-25)
Form Factor	External
Cabling Type	Serial RS-232, serial RS-422, serial RS-485
Data Transfer Rate	108 Kbps
Data Link Protocol	RS-232, RS-422, RS-485
Max Transfer Distance	1 km

Techn. Details

Device Type	Transceiver
Form Factor	External
Connectivity Technology	Wired
Cabling Type	Serial RS-232, serial RS-422, serial RS-485
Data Link Protocol	RS-232, RS-422, RS-485
Data Transfer Rate	108 Kbps
Max Transfer Distance	1 km
Features	Full duplex capability
Interfaces	1 x serial - RS-422/485 - Terminal Block (Clamp) ¦ 1 x RS-232 - DB-25 female ¦ 1 x RS-422/485 - RJ-11 female
Power Device	External power adapter
