Manufacturer# 00YH599

Description

To put your enterprise in a position to win, you have to break down the barriers that hold you back. With Red Hat Enterprise Linux, a platform with unparalleled stability and flexibility, you can reallocate your resources toward meeting the next challenges instead of just maintaining the status quo. Whether you're rolling out applications, virtualizing environments, or creating an open hybrid environment, Red Hat Enterprise Linux Server is the foundation you need to build your business.
